 Bay Door Width _____
 Locate Manifold Boxes In Wash Bay In Mechanical Room

Notes _____

Please outline your Car Wash Design on one of the diagrams below and/or use the next sheet.

Please included preferred location of boiler, door widths, all area dimensions, and the size an locations of drains`

Car Wash Layout

Please Include Wand Wash, Tunnel Wash, Auto Wash, Entrance and Exit Ramps, and Mechanical Room and preferred Boiler location. Dimension all areas and included size and location of drains..

A large grid for drawing a car wash layout. The grid is composed of small squares, with a larger square grid overlaid on top. The larger grid is approximately 20 units wide and 15 units high. The smaller grid is approximately 200 units wide and 150 units high. The larger grid is centered within the smaller grid.

Please use more pages if necessary.
